

Listen & Learn

LECTURE SERIES ON ALZHEIMER'S

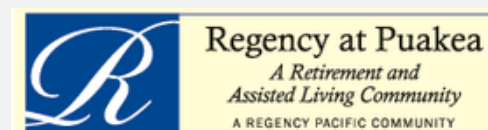

The "Listen & Learn Lecture Series on Alzheimer's" is a monthly educational series featuring a dementia related topic sponsored by the Alzheimer's Association - Hawai'i Chapter and the Lihue Public Library, in conjunction with the Kauai Agency on Elderly Affairs.

How to Know When You Need (More) Help

Navigating the journey of caring for someone with Alzheimer's or related dementias can be challenging, especially when considering the addition of external support to your care team. This program aims to explore essential services that may become vital as your loved one advances through the various stages of the disease. Participants will gain insights into adult day programs, memory care facilities, and hospice care, offering valuable information for better-informed caregiving decisions.

Wednesday, March 20th
5-7 PM

Lihue Public Library - 4344 Hardy Street
Free and open to the public!

**Speakers from: Kauai Hospice, Regency at
Puakea Memory Care Center, and Kauai Adult
Day Health**
